

Dinner and a Movie is Back for the Fourth Year

The Caldwell Merchants Association is bringing back its Dinner and a Movie winter promotion for six weeks only. Every Wednesday from January 25th- February 29th, participating Caldwell restaurants will be offering a 20% discount on dinner between 5-7PM. In addition, each restaurant patron will receive a \$2 coupon off the admission price to Clearview's Caldwell Cinema 4 for any Wednesday until May 23, 2012.

"This has been a very successful promotion for our member restaurants over the last three winters and they requested we bring it back. The theater has been wonderful in extending the coupon redemption period through the end of May" said June Cowell, president of the association.

Participating restaurants are: Bangkok Kitchen, Calandra's Italian Village, Cloverleaf Tavern, Hog Wild BBQ Co., Ocha Japanese Restaurant, Pizza & Sandwich Barn, and Rose Mediterranean.

To receive the 20% discount just mention the promotion any Wednesday during the six week period between 5-7pm. For more information visit www.caldwellmerchants.com
